

## St. Louis Points Game

Check off each point activity as you get it correct. Write today's date and the number of correct answers on the scorecard. You can share the scorecard with your friends. When you get all the point activities complete, go on [spensernation.com](http://spensernation.com) and add your name to Spenser's Honor Roll. You can print out an Honor Roll certificate.

Page	Point Activity	Check When Complete
	Talk to your parents about culture.	
	Find the Mississippi River on a map or globe. Which side do you live on?	
	Can you find France and Spain on a map? (HINT: they're across the ocean from us.)	
	Do you know what country your family came from before they lived in America? Can you find it on a map?	
	Is there a big river near your home? Ask your parents what activities take place on your river.	
	Ask your parents or teachers to show you a picture of an eagle.	
	Can you name some other insects? (Hint: sometimes we call them bugs.)	
	Do you know what animal a butterfly comes from?	
	Have you ever been to a farm? If not, ask your parents or your teachers to tell you all about farms.	
	Do you know what memories are? What are some of your favorite memories?	
	Talk about a "getting lost" plan with your parents. What should you do?	
	Can you find China on a map or globe?	
	Have you been to a baseball game? Ask your parents to explain the game to you (unless you know it so well you can explain it to them).	
	Can you add up all of those numbers? Make sure to start with the 2,000,000 pounds of food.	
	If you've been to the top of the arch, write me at my website and tell me about it. If you haven't been able to go, check it out on the internet or in an encyclopedia.	
	Make a chart to hang in your room. Mark on it every time you forget to turn off your light. Talk to your parents about ways to help you remember.
